For the attention of Alan Lawrence

TESTIMONIAL TO ALAN LAWRENCE OF ACADEMY INSURANCE LTD

As leading property management and letting specialists handling residential lettings for private landlords in the area, we always recommend reliable and cost effective services for our landlords.

On this occasion it was my house and contents insurance that was due. I had a quote from Zurich who I had used for years and had always seemed reasonable in the past, but not I thought this time.

I obtained a quote from Alan Lawrence of Academy Insurance and this turned out to be substantially lower than that quoted by Zurich. It wasn't a hard decision – the process was handled efficiently and without hassle.

I am not a fan of large insurance companies' practices and believe there is no substitute for face to face contact with a local broker; I have no hesitation in recommending Academy Insurance Ltd.

Many thanks.

Yours Sincerely

Mark May
