Dear Liz,

Ref: Corporate Workwear

Just a quick note to thank you for arranging our corporate workwear, the shirts etc have arrived and I am pleased to say they are fabulous.

Running a building company is as far from fashion design as you can get. Fortunately you realised this and led us through the process from choosing the products to choosing the colours. Your service was proactive and efficient.

I would have no hesitation in recommending your company and products in the future. Once again many thanks.

Yours sincerely

Mark Wilkins
