BNi Testimonial

Dear Geoff,

I would like to say a very big thank you for coming to my rescue the other day as it seemed everything went wrong on one day. My kitchen sink became completely blocked after coughing & spluttering a warning for a couple of days & then the annex bathroom sprung 2 leaks.

After Gavin had crawled under the sink and taken the pipe apart , he then declared he could not unblock it, needless to say panic set in as it was beginning to smell like a dead rat had fallen down the pipe !

At the same moment my friend (who is staying in the annex) came running in and said he had pools of water in the bathroom !

I needed someone local, someone who could act fast & someone I could trust.....so I called you & you didn't let me down, within a couple of hours you were at my house & took control of the situation.

I would like to thank you again for being so prompt, so neat & so efficient, I will have absolutely no hesitation in recommending you to my friends, family & business colleagues.

Kind regards

Beverley Blandford - Executive Director BNI
