To Whom It May Concern: Verricom Systems

Elementary Investments have employed Guy Verrier of Verricom Systems on numerous occasions over the last 2 years on IT matters. Work has varied to installing and configuring CRM software to solving e-mail issues. The work has been consistently carried out to a high specification at a reasonable cost.

We have no reservation in recommending Guy to anybody who would like assistance regarding IT support.

If you require any further information then please call us on 01753 531 994.

Regards,

Joe Coten (Director)
