To whom it may concern

James Rice and Company recently came to re paint my kitchen.

James and two of his men arrived on time and with all the kit necessary.

The colour was duly chosen from a swatch book and one coat applied.

Oops wrong colour!

A call to James was all it took for the right shade to be purchased and applied and at no time was this made to be an issue.

So thank you James for your workmen working well and leaving the kitchen tidy afterwards and I didn't run out of tea bags!

Thank you also James for the excellent outside referral you passed to Connect Two Promotions.

Much appreciated.

I look forward to having more work carried out by James Rice and company and would certainly recommend you as premier decorators.
