

Elementary Investments

Independent Financial Advice

TESTIMONIAL: Luke Beavan

18th March 2010

To Whom It May concern:

I recently attended a client visit with Luke and saw at close quarters how he operates. I found Luke to be professional, courteous and took the clients needs and objectives in to account at all times. At no point was the client forced into making any rash decisions and seemed to be genuinely pleased with the way the meeting was handled and the independent advice that she was given.

I would have no objection in recommending Luke to anybody who needs a good professional service.
