To whom it may concern,

**Ref: Work carried out to my Saab car**

I would like to express my gratitude and inform you of the excellent work carried out recently on my car by Mr Richard Oldfield of Newmans of Maidenhead.

When I dropped my car off Richard greeted me in a polite and professional way, without any delay he had my loan car ready so as not to hold me up.

Just a few hours later I received a call from Richard to say my car was ready to collect, quicker than I expected. I was also charged a very reasonable amount, in fact I would go as far to say Newmans of Maidenhead offer extremely good value for money.

My usual garage charges over twice the amount per hour and does not even offer a courtesy car!

I will not hesitate to recommend Mr Richard Oldfield of Newmans of Maidenhead for any repair work to your car you maybe considering.

**Great professional garage, reasonably priced.**

Yours Sincerely,

**Ian Rudgewick-Brown**
