BNI Testimonial

Dear Simon,

I'd like to thank you for the work that you recently carried out in my bathroom. The main problem was a leaking bath which had continued to leak after the efforts of Barratts very own highly skilled handy man.

You carried out the work to a high standard, minimum fuss and most importantly the problem is now fixed with the water now staying inside and not outside of the bath!!

I would have no hesitation in recommending you or your company.

Regards

Goldie
