TO WHOM IT MAY CONCERN

28th July 2010

We recently had a need to change our printing suppliers and were referred to Stroma Ltd through one of our employees.

Stroma Ltd were able to meet all our printing needs in a timely, cost effective & highly professional manner.

The quality of their work was of a much higher standard than we were used to and I have no hesitation in recommending them if you have similar requirements.

P. M. Banfield-Senior Partner
