Dear Steve

Connect Two Promotions set exacting standards when providing promotional products and business gifts to our clients.

We provide accurate quotations and take care with our clients orders, ensuring that we deliver against our promises and keep our customer informed every step of the way.

Since meeting Steve from Stroma at Windsor BNI and passing many pieces of business his way I can honestly say we have received exceptional service.

Most people think of printers for business cards and business stationery only, but we have tried and tested Steve and his team with the work we have been given by clients and passed on to him 'to sort'

Stroma have stepped up to the mark on every occasion. In addition Steve and his partner Rob have been most accommodating delivering exactly what has been required on time and in budget. Just how we at Connect Two Promotions like to work.

Many thanks Steve to you and your team and may we continue to do business together

Kind Regards

Elizabeth Walker
